### **Legends League Cricket shifts Second Season to India on fans demand**

**New Delhi, July 23, 2022:** Legends League Cricket, the global T-20 cricket league today announced the shifting of second season to India from Oman. Keeping in mind the huge fan base in India for the legends of the cricket and the first season's response received from India, LLC has decided to shift the base to India for the upcoming season in September 2022.

The first season saw a humongous following from India, for the legends playing from across globe. During season two, the Legends League Cricket will add more excitement with more than 110 legends from the sport. The cricket grounds are being decided upon for the league which is starting from September 20, 2022. Cricketing Legends from more than nine nations are to participate.

Raman Raheja, Co-Founder and CEO, Legends League Cricket said, "We have been constantly receiving request from fans to hold the series in India and we are excited to bring the Legends League second season back home. We have the maximum cricket fans here in India. The first season had maximum viewership from India, followed by Pakistan and Sri Lanka followed by the rest of the world. We hope to give a better experience to our viewers and cricket enthusiasts. We are sure that the cricketing fans will rejoice our decision to shift the base to India as the excitement of watching live cricket cannot be matched."

More details about the Venues and dates would be announced soon for this season. Third season will be scheduled in March 2023 in Oman.
